TAX & ACCOUNTING
HR INTERNATIONAL

Junior tax consultant in corporate tax

YOUR JOB

- Your role is varied and many-faceted in the field of corporate tax. Other areas such as VAT or accounting law may be dealt with from time to time.
 - Under the supervision and guidance of more experienced team members, you will assist a.o. in:
 - the research and preparation of advisory work regarding national and international corporate taxation;
 - helping our clients in managing their tax obligations, including for example the preparation of tax returns and replies to tax inquiries.
 - Gradually, you will have direct contacts with the tax authorities and will build up a more overall responsibility on the client portfolio.
-

YOUR PROFILE

- You have a Master degree in a business-related discipline such as law or applied economics or a comparable background (e.g. bachelor degree accountancy-tax).
 - One or two years of relevant fiscal experience or a postgraduate or complementary master qualification in tax are a strong asset.
 - You are highly motivated and have a definite interest in corporate tax matters, yet you would also be interested to deal with some VAT or accounting law questions.
 - You are a team player.
 - You are creative, client minded and looking for practical solutions.
 - You have a strong feeling with numbers.
 - You are problem-solving minded.
 - You are concise and focused.
 - You are accurate and have excellent planning / task management skills.
 - You are willing to improve your technical knowledge and develop your professional skills.
 - You have an excellent working knowledge of French and English. A good knowledge of Dutch is an asset.
